

Virginia Community College Guaranteed Admissions Agreement

Suggested Curriculum Guide –*Economics Major, Financial Emphasis*

In 2007, Lynchburg College (LC) and the Virginia Community College System (VCCS) signed a guaranteed admissions agreement. Under the agreement, students with a transfer-oriented degree program who have a grade point average of 2.0 or higher are eligible for guaranteed transfer of up to 76 credit hours. Such degrees will fulfill LC's general education requirement except for three semester hours of a foreign language and a two-semester-hour Senior Symposium course. Below is a plan for completion of a degree in Economics Major, Financial Emphasis, for students eligible for guaranteed admission enrolled full-time at LC.

Students must have completed the following courses before enrolling at Lynchburg College: Accounting I and II or Principles of Accounting I and II (**ACC 111-112, ACC 211-212**) and Principles of Economics-Macro and Principles of Economics-Micro (**ECO 201-202**) with grades of C or better.

While not all students will take all the courses in their major in exactly the same sequence, the guide below can be used in combination with the on-line graduation progress report as a pathway to degree completion. See the Academic Regulations in the Lynchburg College Catalogue for all academic degree requirements. Students should consult their major advisor for guidance specific to the student's needs and interests.

Courses in bold can be taken at Virginia Community Colleges or LC. If students take these courses as part of their associate's degree, they do not need to retake them at Lynchburg College. However, students must take a minimum of 48 credit hours at LC, and must have a total of 124 credit hours to earn the bachelor's degree.
