

Suggested Curriculum Guide- Economics Major

General Emphasis

While not all students will take all the courses in their major in exactly the same sequence, the guide below can be used in combination with the on-line graduation progress report as a pathway to degree completion.

See the Academic Regulations in the Lynchburg College Catalogue for all academic degree requirements. Students should consult their major advisor for guidance specific to the student's needs and interests.

An internship for minor/elective credit is strongly recommended.

Several courses in the business program can be taken in the fall or spring semester.

** Electives are not offered every semester, so students will have to plan ahead.*
