

ALUMNI AND PARENTS PROGRAMS

The Lynchburg College Alumni Association, under the leadership of officers and a board of directors, strives to develop and strengthen the relationships among current students, alumni, and the College. Student Government Association (SGA), Student Activities Board (SAB), Greek organization leaders, and Class leaders serve as student members of the Alumni Board and report their activities to members of the Alumni Board and Parents Council. Programs sponsored by the Alumni Association include Homecoming, Westover Alumni Society Weekend (for alumni who attended the College forty-one or more years ago), class reunions, alumni club activities (East Coast of the United States, South Korea, and Japan), career networking, student recruitment volunteer programs, alumni awards, and activities for current students to introduce them to the Alumni Association.

The Office of Alumni Programs acts as coordinator for these activities and serves as liaison among the College, students, and all organized alumni events. This office is also responsible for the maintenance of alumni records, the publication of an alumni directory, and the development of Class Notes for the Lynchburg College Magazine. The Alumni Association encourages alumni to support The Annual Fund and other fundraising projects.

Parents Activities

The Lynchburg College Parents Association, under the leadership of a representative Parents Council, strives to develop and strengthen the bonds between the College and the parents of its students and to serve the needs of parents. Members of the Parents Council may help with admitted student open houses, parents' orientations and receptions, and offer support to the Office of Academic and Career Development Services by providing internship information or sharing knowledge about their career fields, when requested, with interested students. Parents Council members also solicit gifts from and encourage financial support by parents to the Annual Fund. Programs sponsored by the Parents Association include Parents and Family Weekend, prospective student open houses, and special parent gatherings.

The Office of Parents Programs acts as coordinator for these activities and serves as a liaison between the College and many organized parents' events. The Office of Public Relations publishes Getting Started at LC, with information especially for parents and new students. Parents also receive the Lynchburg College Magazine and may obtain information of special interest to them on the Parents Programs website connected to the LC home page at www.lyncburg.edu.
