For a listing of acceptable scores and credit allowed, refer to the Credit by Examination section under "Academic Regulations."

International Baccalaureate Program

Lynchburg College awards academic credit for work completed in an international baccalaureate program to students on an individual basis. After review, credit is generally awarded for completion of higher-level courses and achievement of 4 or above on the International Baccalaureate Examination (one course being equivalent to six semester hours). Official score reports must be sent directly to Lynchburg College from the IB program for verification of the student's work and for credit to be given on the student's Lynchburg College transcript.
