

FRENCH COURSES (FREN)

Students who enter Lynchburg College directly from high school, and who have had two or more years of a foreign language in high school, may qualify for enrollment at the intermediate level if they wish to continue with the same language. All students entering the 102 and 201 language levels will be required to take a placement test. The results of this test will determine the level of the language at which the student is required to enroll, unless the student has completed the prerequisite language course successfully at the college level or earned AP credit.

Work in the language laboratory constitutes part of the elementary and intermediate language courses. It is designed to teach and test listening-comprehension and speaking skills, the components of which are auditory discrimination, auditory memory, pronunciation, and fluency.

The foreign language requirements may be waived for a student whose native language is not English if that student demonstrates to the faculty in the program an acceptable proficiency in speaking and writing in the native language.
