Director’s Corner– B.J. Keefer-Abell

On behalf of the Office of Student Activities, I hope that your semester is going well. October tends to take on a life of its own with mid-terms, homecoming and fall break. Before you know it we will be heading home for Thanksgiving! I wanted to give you some information about the Student Government Association for the academic year 2009-2010. Please remember that budget allocations for the spring semester are quickly approaching. Information can be found on the OSA website; Student Government link. Packets are available on line October 9th and we will be having a Treasurer’s WORKSHOP vs. Meeting on October 13th. This is required for all NEW treasurers and clubs that did not submit for fall 2009. Other groups are encouraged to attend to get assistance with the paperwork and process. If you have any questions about SGA, please feel free to contact me at keefer.b@lynchburg.edu or (434)544.8107.

Senate is still looking for a few good men and women to serve on the legislative branch – the ones that make the decisions about what goes on around campus! This would include approving funding for clubs; serving on faculty committees; meeting with administrators; providing feedback to faculty, staff and administration about changes to not only your academic career but your life outside the classroom as well. If you want to find out more, I invite you to attend a Senate meeting – no strings attached. They meet every Wednesday at 6p in the Brewer Townhouse Conference Room (next to Roly Poly).

Homecoming for 2010

We hope that you enjoyed homecoming this year! It is always an exciting time to see alumni back on campus whether from the class of 2009 or those from 40 years ago! The Office of Student Activities is interested in updating the events that occur during the week and would like to put together a Homecoming Committee to begin the planning and implementing of those events in the next few months. If you are interested in serving on this committee, please contact either B.J. Keefer-Abell (keefer.b@lynchburg.edu) or Tabatha Sarco (Sarco.t@lynchburg.edu). EVERYONE is welcome!!
