Christian Church (Disciples of Christ)

The Christian Church (Disciples of Christ) has actively supported Lynchburg College throughout its history. The Disciples Mission Fund, which receives support for Disciples' colleges from participating churches in the United States and Canada, provided \$69,578 in gifts to Lynchburg College in 2005-06. Additionally, individual congregations and members

of the Christian Church (Disciples of Christ) give directly to the College as alumni, parents, and friends. Lynchburg College gratefully acknowledges this significant scholarship program and operating support from the Disciples Mission Fund and individual congregations and church members.
