

## **SUGGESTED Curriculum Guide- Business Administration Major**

While not all students will take all the courses in their major in exactly the same sequence, the guide below can be used in combination with the on-line graduation progress report as a pathway to degree completion. *A dual major or minor is required for the Business Administration major.*

See the Academic Regulations in the Lynchburg College Catalogue for all academic degree requirements. Students should consult their major advisor for guidance specific to the student's needs and interests.
