

Suggested Curriculum Guide- Biology Major

For students taking Pre-calculus (MATH 102) freshman year

While not all students will take all the courses in their major in exactly the same sequence, the guide below can be used in combination with the on-line graduation progress report as a pathway to degree completion. See the Academic Regulations in the Lynchburg College Catalogue for all academic degree requirements. Students should consult their advisor for guidance specific to the student's needs and interests.
