Message from the Chair

I am excited to report that as of this month, you will receive a quarterly Westover Alumni newsletter. This will be emailed November, February, May, and August each year electronically – so if you know of alumni who aren't receiving this, please let us know. All alumni who celebrate a post-45th Reunion are automatically part of this group and we encourage active participation. We're inviting each of you to share your alumni news so it reaches your classmates in a timely manner – we can't share the great things you're doing if we don't know about them! Alumni are the heart of Lynchburg College and this newsletter will help us stay connected.

As of October 20, 2016, the former Westover Alumni Society Board is now called the Westover Alumni Advisory Council – we are a group of volunteers representing each class in the life and work of the College. Please see below for upcoming Westover Alumni events!
