
ALUMNI AND PARENTS PROGRAMS

Alumni Relations

The Lynchburg College Alumni Association, under the leadership of officers and a board of directors, strives to develop and strengthen the relationships among current students, alumni, and the College. Student Government Association (SGA), Student Activities Board (SAB), and Class leaders serve as student members of the Alumni Board and report their activities to members of the Alumni Board and Parents Council. Programs sponsored by the Alumni Association include Homecoming, Westover Alumni Society Weekend (for alumni who attended the College forty-five or more years ago), class reunions, alumni club activities, an alumni travel program, career networking, alumni awards, and activities for current students to introduce them to the Alumni Association.

The Office of Alumni Relations acts as coordinator for these activities and serves as liaison among the College, students, and organized alumni events. This office is also responsible for the maintenance of all alumni-related social media and alumni records, the publication of an alumni directory, and the development of Class Notes for the Lynchburg College Magazine. The Alumni Association encourages alumni to support The Annual Fund and other fund-raising projects.

Parents Programs

The Lynchburg College Parents Association, under the leadership of a representative Parents Council, strives to develop and strengthen the bonds between the College and the parents of its students. Members of the Parents Council may help with a variety of activities through the Advancement, Enrollment, and Academic and Career Services Offices. These activities may include reaching out to admitted students, contacting parents in support of the Parents Fund, and speaking with students about networking and career opportunities. If you are interested in joining the Parents Council, please contact Amy Jacobs, Assistant Director of the Annual Fund, at jacobs.a@lynchburg.edu or 434.544.8752.

The Office of Parents Programs acts as coordinator for these activities and serves as a liaison between the College and many organized parents' events. The Office of Academic Advising publishes Getting Started at LC, with information especially for parents and new students. Parents also receive the Lynchburg College Magazine and may obtain information of special interest to them on the Parents Programs website at www.lynchburg.edu/parents.
