University of Lynchburg

Part-Time, On Campus Master of Public Health Program
Suggested Curriculum Guide

This curriculum guide is for students desiring to enter a public health-related career.

While not all students will take all the courses in the MPH Program exactly the same sequence, the guide below can be used in combination with the graduation progress report as a pathway to degree completion. See the Academic Regulations in the University of Lynchburg Graduate Catalogue for all academic degree requirements.

This is the suggested curriculum for on campus, part-time MPH Program students.

Total Program hours: 30-36 Hours

- *MPH 651* and/or MPH 652* are taken if a non-Health Promotion undergraduate student has not had internship hours previously supervised by University of Lynchburg.*
- *MPH 675** can be taken for 3, 6, or 9 credits and can be combined with or taken in place of internship hours to reach required practicum hours. Approval required by the MPH Program Director.*
- *Internships, Research, and Capstone Course require a 3.0 GPA in all core courses before enrollment.*
- *Part-time, on-site program students can enroll and start the program during any semester and take any combination of classes that are offered. Part-time on-site program students can also take 1-4 classes per semester as long as all program requirements are completed within 6 years.*
