Fraternity & Sorority Life Accreditation Program

2014-2015

Office of Student Activities
**Introduction**

Greek letter organizations around the world strive to transition men and women from the ordinary to the extraordinary. As a recognized Greek Letter Organization at Lynchburg College it is required that you meet or exceed specific standards and expectations to receive accreditation each year. All Greek organizations were founded on the ideals of scholarship, community service, leadership, and brotherhood/sisterhood, but *you* are unique. Your organizations are also founded on Lynchburg College’s values: Academic Rigor, Active Learning, Commitment to Success, Integrity, Diversity, Community, Wellness, and Sustainability.

This program allows chapters in partnership with the Office of Student Activities to evaluate current programming and operations, identify areas of strength and areas where improvement is needed. The program has two major functions: 1) to serve as a chapter evaluation program that will monitor chapters’ progress, and 2) ensure that the Fraternity and Sorority Life Community as a whole rewards the success of outstanding chapters. This program should aid in the continued improvement of chapters in such areas as membership development, chapter operations, community service and philanthropy, and risk management.

Implementation

Documentation of all requirements (unless otherwise noted) will be due to the Office of Student Activities by the deadlines set forth by the schedule provided. Each chapter will receive detailed information regarding the Standards of Accreditation Program prior to the beginning of each evaluation year and all completed packets must be printed and electronically sent. The packets will be reviewed by the Office of Student Activities and points will be tallied in congruence with the program. Points will be awarded strictly according to the documentation provided to the Office of Student Activities in the packet materials; partial points may be awarded in any category. Progress will be assessed in one-on-one meetings with the president throughout the year.

The following Standards and Expectations will be evaluated each year:

- Academic and Scholarship Excellence 400
- Chapter Development and Reporting 300
- Community Service and Philanthropic Activities 300
- Campus Involvement and Leadership 400
- Extra Points 100

Total Possible Points: 1,500

The intent of this program is to provide a framework by which chapters can qualify and document their activities and successes, while creating a tool by which fraternities and sororities can be evaluated and make improvements for the future of their organization.

Please remember that dramatic change does not happen overnight. This information should be used as baseline data and will provide a starting point from which improvements may be made over the course of the year.

Deadline and Penalties

The Fraternity and Sorority Life Accreditation Program will cover chapter activities from August 1, 2014 to March 31, 2015. All End of Year Reports (Accreditation Packet) and Nomination Forms are due by 5 PM on March 31st. NO EXCEPTIONS WILL BE GRANTED. If a chapter fails to submit the End of Year Report by the deadline, the chapter will not be recognized as a Registered Student Organization and consequently lose all privileges associated with being a registered student organization for the upcoming semester.

A. ACADEMIC AND SCHOLARSHIP EXCELLENCE

400 Possible Points

Academic achievement is one of the primary tenets upon which all fraternities and sororities were founded. In addition, most students attend college to further their education as a means of potentially entering a particular career field. Therefore, it is expected that fraternities and sororities strive to complement the academic mission of the institution. Greek organizations at Lynchburg College MUST treat educational pursuits of their members as a top priority for the continued success of chapter members and the organization. It is the obligation of a fraternity or sorority at Lynchburg College to provide an environment that will be conducive and supportive of the strong academic performance of its members.

Chapters below the 2.5 chapter GPA will be on academic probation. The scholarship chair in conjunction with the faculty advisor, chapter advisor, and Assistant Director of Student Involvement will review the academic needs of the chapter and make appropriate suggestions for time management revisions.

150 Points A.1 The chapter grade point average is equal to or exceeds 2.5 each semester.

- Each chapter must have an overall grade point average for its full current membership that is at or above 2.5 per semester.
- Chapter GPA will include all initiated members
- Points are awarded based on the table below

B. Chapter Development and Reporting
300 Possible Points

In order to maintain a solid base of operation, each chapter must conduct its internal affairs in a responsible manner. Poor chapter management is likely to have negative effects on the chapter as a whole including poor credit rating, loss of necessary chapter programs, limited privileges, and deterioration of members’ morale. The College values and acknowledges the autonomy of the undergraduate officers in making decisions that affect the chapter now and in the future; however, as guest organizations formally recognized by the College, the chapter must meet certain minimum obligations. The following standards reflect the importance of good management as well as consistent communication with designated College administrators while maintaining respect for the autonomy and abilities of the individual chapter officers.

100 Points  B.1 The chapter submits all necessary reports and forms to its respective council, the Office of Student Activities and or the College in a timely manner. (This includes any community service, social function, or event reservation forms.)

✓ Failure to do so will result in the loss of 5 points for each late item, or violation of policy.

25 Points  B.2 The chapter initiates at least 85 percent of the individuals who accepted bids/intake to join the chapter for the academic year.

  ○ This includes compliance with social registration forms and guest list.
20 Points B.4 The entire new member group is required to have a new member education program based on chapter requirements. Chapter advisors will communicate to the Assistant Director Of Student Involvement if an emergency situation allows a new member to be excused.

- 10 points for 80-99% attendance
- 0 points for 79% or less attendance

✔ Any chapter receiving a Social Event Violation will lose 20 points in Section B.
✔ Any national Policy Violations will result in the loss of 20 points in Section B.

300 Possible Points

Service to others is another main principle upon which fraternal organizations were founded. It is expected that the members of the FSL community will positively contribute to and participate in the community and surrounding areas of Lynchburg. A chapter should maintain a presence as a “Good Citizen” and strive to instill in its members an understanding of the standards of these communities as well as an appreciation of positive relationships.

50 Points  C.1 The chapter participates in the Fall 2014 all-Greek community service event each year and conducts an individual chapter community service project in Spring 2015. A Greek organization’s public image is formed in part by the extent to which a chapter’s members are involved in campus activities external to the chapter. Extracurricular involvement of members, participation in large scale campus events and campus leadership positions held by chapter members are only some of the ways chapters can contribute to their campus, as well as their chapter’s reputation. Greek organizations also pride themselves on providing opportunities for leadership development, both directly and indirectly. Promoting the extracurricular involvement of its members contributes greatly to such leadership development opportunities and serves to strengthen the chapter as a result.

100 Points D.1 The chapter is a member of, and actively participates in the Interfraternity Council, Panhellenic Council, or National Pan-Hellenic Council.

✓ 50 of the possible points are earned from the chapter’s active participation in their respective council and participation in events.
