

Lynchburg College has a variety of financial assistance programs available to graduate students. This application and your admission to a graduate program are sufficient for your consideration for support from College endowed scholarships (of varying amounts). For information on other forms of assistance (e.g., Virginia Tuition Assistance Grant, student loans, federal assistance, campus work program), please directly contact the College's Office of Financial Aid at 434/544-8228. For information on graduate assistantships, please apply on the website: <http://www.lynchburg.edu/graduate/graduate-admission/graduate-assistantships/>
