

CHAPLAIN'S CORNER

With Deep Grief and Sympathy

BY NATHAN

We have suffered a great loss and our university is reeling with grief.

As was announced yesterday, Frank Csorba, an undergraduate alumnus in criminology and graduate student in the master of public health program, passed away.

Frank entered this world on December 12th, 2000, and departed our lives and this world on April 23rd, 2024. He will be missed dearly by his parents, Jessica and Alexander, his siblings Alex and Julie, extended family, close friends, teammates, students, faculty, staff, and our entire campus community.

Although he is no longer with us, he will live on in our memories, stories, and friendships. His dedication to his sport, to his teammates, and to this campus was unparalleled. He left a legacy that will live on for generations.

To honor his life and memory, we will be hosting a vigil this evening at 9 p.m. on Shellenberger Field, after the conclusion of the men's lacrosse game. In times like this, it is important for a community to come together, grieve, and honor those who are no longer with us. The service will include a few readings, prayer, and short remarks. We hope you are able to join us.
