Paper-Delivered Tests

Paper-delivered test dates and registration deadlines are on the last page of this Bulletin.

WEB Register for paper-delivered Praxis tests online at www.ets.org/praxis/register/paper using a credit/debit card, or PayPal™. See “Preferred Forms of Payment” on page 8 for payment information.

MAIL Complete the paper-delivered registration form located on the Praxis website at www.ets.org/praxis/about/bulletin and mail with your check, money order, U.S. Postal Service money order, or debit/credit card information. Registration code lists are also available on the Praxis website. Test dates and registration deadlines are on the back cover of this Bulletin. Please allow three (3) weeks from receipt by ETS for processing.

For mail-in registrations, if ETS is unable to assign you to a test center within 125 miles of your requested choices, you will be notified of your options.

If you register online, you will access and print your admission ticket from your online account. If you register by mail or by phone, you should receive your admission ticket by mail at least one week prior to your scheduled test date. (You may also print your admission ticket via your online Praxis account.) If you find an error in your personal information (such as name misspellings or incorrect contact information) on your admission ticket, you may log into your Praxis account and update this information in your profile, then print an updated admission ticket. If you received a mailed admission ticket, you may also make the changes using the correction form attached to the ticket. Ticket corrections can either be mailed to ETS or turned in at the test center. You may also e-mail your corrections to ETS at praxis@ets.org. Please refer to the General Inquiries number on page 7 if you do not receive an admission ticket (if you registered by mail or phone) or if you lose your ticket. Please note that all requests must be received by ETS prior to the test date.

If you reregister for a paper-delivered test before you know the results of a prior paper-delivered test, and subsequently receive a passing score for that test, you will automatically receive a full refund of your test fees.

TEST TAKERS WITH DISABILITIES OR HEALTH-RELATED NEEDS

• ETS is committed to serving test takers with disabilities and health-related needs by providing services and reasonable accommodations that are appropriate given the purpose of the test. Testing accommodations are available for test takers who meet ETS requirements. If you are requesting testing accommodations, you must register by mail through ETS and have your accommodations approved prior to testing.

• The 2013–2014 Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs contains contact information, registration procedures, and forms. The Supplement should be used in conjunction with the information in this Bulletin and registration form(s) on the Praxis website. To download the Supplement, visit www.ets.org/praxis/register/disabilities.

• To request a large-print copy of this Bulletin and the 2013–2014 Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs contact Praxis Disability Services. See “Disability Services” on page 7.

Both free and low-cost resources are available to help you study effectively and reduce anxiety. To see all test preparation materials available, visit the Praxis website at www.ets.org/praxis/prepare.

- **Free Study Companions** include detailed test descriptions, sample questions with answers and explanations, and scoring guides for constructed-response questions to help you understand the criteria against which your responses will be evaluated. Also included is general information about the Praxis tests, what they measure, and information about the types of questions you’ll encounter and tips for how to prepare for them.

- **Free Webinars, Computerized Testing Day Videos, and Computer-delivered Testing Demonstrations** are available online to provide insight into Praxis assessments and test day procedures to help you prepare for test day.

Types of Assessments

The Praxis Series assessments correspond to two key milestones in your development as a teacher:

• entering a teacher training program
• obtaining a license to teach

Praxis Core Academic Skills for Educators Tests measure academic skills in Reading, Writing and Mathematics. These tests were designed to provide comprehensive assessments that measure the skills and content knowledge of candidates entering teacher preparation programs. The Core exams are offered in computer-delivered format only.

• The Core Reading test includes sets of questions that require the integration and analysis of multiple documents, as well as some alternate response types (e.g., select-in-passage).
• The Core Writing test assesses both argumentative writing and informative/explanatory writing, and will contain two writing tasks for each writing type. In addition, multiple-choice questions will be added to address the importance of research strategies and assess strategies for revising and improving text.
• The Core Mathematics test includes numeric entry and multiple choice questions, and will also offer an on-screen calculator to help ensure that questions are testing mathematical reasoning by reducing the chance that a candidate’s wrong response comes from a simple arithmetic error.

Praxis I Pre-Professional Skills Tests (PPST®) are designed to be taken early in your college career and measure basic skills in reading, writing, and mathematics. The PPST® tests in Reading and Mathematics are composed of multiple-choice questions only. The Writing test includes both multiple-choice questions and an essay section. The assessments are available in both paper-delivered and computer-delivered formats.

Praxis II Subject Assessments measure your content knowledge of the subjects you will teach. Praxis II tests are offered in both paper-delivered and computer-delivered formats; however, not all tests are offered in both formats. Please see the website for details on which Praxis II tests are available on computer. The Praxis II Subject Assessments include:

• Subject Assessments. These assessments measure your general and subject-specific teaching skills and knowledge. These tests feature multiple-choice and constructed-response items.
• Principles of Learning and Teaching (PLT) Tests. These assessments measure your general pedagogical knowledge at four grade levels: Early Childhood, K–6, 5–9, and 7–12. These tests feature constructed-response and multiple-choice items.

Test Delivery Method

Praxis tests are offered in computer and paper-delivered formats. Not all tests are offered in both formats. You can find out how your test is offered by checking the Study Companion online at www.ets.org/praxis/prep/materials. For tests that are offered in both formats, there is no difference between the two, so feel free to take whichever you’re more comfortable with or whichever has availability that meets your needs.

Paper-Delivered Tests

Paper-delivered tests are offered on fixed administration dates throughout the year. Not all tests are offered on all test dates. Paper-delivered test dates and registration deadlines are listed on the back cover of this bulletin. You may view test availability online at www.ets.org/praxis/register/centers_dates/paper.

Test length varies by test, so view the Study Companion online (www.ets.org/praxis/prep/materials) for your test for details. You may take any combination of tests that fits the schedule shown below.

Please note: All Praxis exams are administered in English only.

Computer-Delivered Tests

Most computer-delivered tests are offered during testing windows throughout the year. Some computer-delivered tests are offered continuously. Test length varies by test, so view the Study Companion online (www.ets.org/praxis/prep/materials) for your test for details. Each computer-delivered test is scheduled individually, based on availability. Visit www.ets.org/praxis/register/centers_dates/computer to learn when your test is offered.

### Registration Options

**MONDAY TESTING (PAPER-DELIVERED TESTS ONLY)**

Monday testing will be arranged only for those whose religious convictions prevent them from testing on Saturday or those who are members of the U.S. armed forces and have duties which prevent them from testing on Saturday. Mail your registration form, fees, and either a letter signed by your cleric on letterhead stationery confirming your affiliation with a recognized religious body whose convictions prevent you from testing on Saturday, or a copy of your military duties. Your registration must be received by the Monday registration deadline listed on the back cover of this Bulletin. Leave the code number blank in the Test Center section on the registration form, but indicate the city and state where you wish to test. You will be assigned to the closest available center within 125 miles of locations that are scheduled for Saturday test dates.

**IF YOUR PRIMARY LANGUAGE IS NOT ENGLISH (PLNE)**

Test accommodations (extended testing time) may be available for test takers whose primary language is not English. Test takers who meet ETS requirements will be allowed 50 percent additional testing time.

Because of the time needed to review documentation and limited space and test materials at the test center, PLNE accommodations are NOT available for emergency registration. Once PLNE accommodations are approved, test changes and/or additions, or test center changes, are not permitted. PLNE accommodations are not offered for language tests.

**How to Register for PLNE**

Your request for PLNE accommodations must include the following:

1. A completed Certification of Documentation form (page 20).
2. A completed Eligibility Form for Test Takers Whose Primary Language Is Not English (page 21). It is necessary to complete this form each time you register for these accommodations. A completed registration form for paper-delivered tests (or Computer-Delivered Test Authorization Voucher Request Form for computer-delivered tests) and appropriate fees. Be sure to check the box at the top of the form to indicate that you are requesting testing accommodations.

All materials must be submitted together and received at ETS by the dates noted below. Requests that are received late, are on outdated forms, or are incomplete will be returned to you unprocessed. All documentation must be approved before you can register. ETS will make every effort to evaluate all requests in a timely manner. If further verification of the professional’s credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed until the next applicable test date.

**SPECIAL REGISTRATION INSTRUCTIONS FOR PLNE ACCOMMODATIONS FOR PAPER-DELIVERED TESTS**

To apply for PLNE accommodations for a paper-delivered test, use the registration form found at [www.ets.org/praxis/about/bulletin](http://www.ets.org/praxis/about/bulletin). Check the desired test date on your registration form. PLNE accommodations are offered at every paper-delivered test administration in the 2013-14 testing year.

Using the PLNE Test Center List on the Praxis website, write the test center code, name, and location in the Test Center section of the registration form.

Mail the registration form, the documentation listed above, and payment to the appropriate address, no later than the extended registration deadline for your intended test date. If you are paying with a paper check or money order, all documents must be sent together in an envelope to ETS–The Praxis Series, PO Box 6051, Princeton, NJ 08541-6054. TESTING OUTSIDE THE UNITED STATES (PAPER-DELIVERED TESTS)
Testing outside the United States is available only if you need to take a test to be eligible for employment, certification, or entrance into a teacher education program in the United States.

- To request a test center other than one of those listed on the Praxis website, submit a letter with your registration form specifying the reason you need to take the test and the agency requiring the scores.
- On the registration form, fill in the test date you want. Leave the line provided for a test center name blank, and write on the line below the city and country most convenient to you.
- ETS must receive all materials by the deadline for requesting centers outside the United States and U.S. Territories (see back cover).

TELEPHONE REGISTRATION (PAPER-DELIVERED AND COMPUTER-DELIVERED TESTS)

Fee: $35 (in addition to applicable surcharge and test fees)
To register by telephone, you must have already created a Praxis account online at www.ets.org/praxis. This service may be used to register for domestic centers only. Test takers registering for paper-delivered test dates must register before the extended registration deadline for regular test dates, or the Monday registration deadline for Monday test dates (see back cover). Test takers calling to register for a computer-delivered test must call at least 3 days prior to their intended test date—computer-delivered test appointments are scheduled based on availability. Please see www.ets.org/praxis/register/computer/#testing_windows for testing windows.

EXTENDED REGISTRATION (PAPER-DELIVERED TESTS)

Fee: $45
This service is for test takers who need to register for a paper-delivered test date but have missed the regular registration deadline. Extended registration will guarantee test takers a seat at a test center. There is a $45 fee for this service, which will be automatically incurred by test takers who register during the extended registration period (this includes test takers who mail in their registration).

EMERGENCY REGISTRATION (PAPER-DELIVERED TESTS)

Fee: $75
This service is for test takers who need to register for a paper-delivered test date but have missed the regular and extended registration deadlines. Emergency registration will guarantee test takers a seat at a test center. Because of the amount of time needed to review documentation, this service is not available for test takers who require testing accommodations, PLNE accommodations, Monday testing, or testing outside the continental U.S. Registration can ONLY be done on the Praxis website at www.ets.org/praxis. You may register for this service until the emergency registration deadline (see back cover). Standby testing is not permitted.

File Corrections
After the test administration, score reports requiring corrections for date of birth, Social Security number, spelling of name, or other information will require file corrections. As a part of this service, you may have your scores sent to one institution or agency for no charge.

- You may not change your name on the file, only correct the spelling.
- If an adjustment to your Social Security number is required, please include a clear copy of your Social Security card. You may not change your Social Security number on file, only make corrections.

Send your written request including the information as it now exists on the file and the change(s) requested with your signature to the address listed on page 7.

Change or Cancel Your Test Registration

Procedures for test changes and cancellations differ depending on the type of test you are taking. Please carefully review the procedures below.

COMPUTER-DELIVERED TESTS

Make Changes to Your Testing Appointment (Location or Time)
There are two ways you can change your test center, test date or test time for a current computer-delivered test registration:

- log in to your Praxis account and process the change online
- contact ETS at 1-800-772-9476

Note: you must make changes no later than four full days prior to your appointment (not including the day of your test) or your fees will be forfeited. ETS cannot guarantee that the testing time or test center you are now requesting will be available. There is a $30 fee for this service.

Add a Test
Computer-delivered tests are scheduled by appointment. To “add” a test, simply register for the new test the same way you registered for the previous test. There is no service fee to create a new test registration.

Cancel a Test
There are two ways you can cancel a test for which you are currently registered:

- log in to your Praxis account and process the change online
- contact ETS at 1-800-772-9476

Note: you must cancel your test no later than four full days prior to your appointment (not including the day of your test) or your fees will be forfeited. If you cancel your original test by the appropriate deadline, you may be eligible for a refund of 50 percent of your test fees. Please see Test Fee Refunds, on page 11.
**PAPER-DELIVERED TESTS**

**Note:** You must make changes no later than the emergency registration deadline for your test date or your fees will be forfeited. (If submitting the Change Request Form, it must be received at ETS by the deadline.) If you are changing your test date and are registered for more than one test on a particular test date, you must transfer all of your tests to a future date. You cannot transfer a single test to another test date. ETS cannot guarantee that the testing time or test center you are now requesting will be available. There is a $30 fee for this service.

You can add another paper-delivered test to a test date for which you are currently registered using one of the methods below:

- online through your Praxis account
- by phone (1-800-772-9476)
- by mail (complete and mail the Change Request Form (PDF))

**Note:** you must add the test no later than the emergency registration deadline for your test date or your fees will be forfeited. (If submitting the Change Request Form, it must be received at ETS by the deadline.) ETS cannot guarantee that the testing time or test center you are now requesting will be available. There is a $30 fee for this service.

**Cancel a Test**

- by mail (complete and mail the Change Request Form (PDF))

**Note:** You must cancel your test no later than four full days prior to your test date (not including the day of your test) or your fees will be forfeited. If you cancel your test by the appropriate deadline, you may be eligible for a refund of 50 percent of your test fees. See Test Fee Refunds, below. Please note: if submitting the Refund Request Form, it must be received at ETS by the deadline.

**Test Fee Refunds**

If you are absent from or arrive too late to take the test at the test administration for which you are registered, you will not be entitled to any refund.

Refunds will be in U.S. dollars. If the original payment was drawn on a U.S. domestic bank, please allow eight weeks after your canceled test date for your refund to be processed. If the original payment was made in non-U.S. funds drawn on a bank outside the U.S., please allow 12 weeks for processing. Payments made by credit/debit card will be credited back to that account. Service fees are nonrefundable.

**PAPER-DELIVERED AND COMPUTER-DELIVERED TESTS**

If you cancel your registration no later than four full days prior to your test date, you will be eligible for a refund of 50% of your test fees. (Service fees are nonrefundable.) To cancel your registration online, log into your Praxis account no later than four full days prior to your original appointment. Your refund will be processed automatically. To cancel a test registration by mail, send a written request via email to praxis@ets.org or use the Refund Request Form, which is downloadable from the Praxis website at www.ets.org/praxis. The request must be received no later than four full days prior to your test date.

Surcharges, if applicable, will be refunded.

If you reregister for a paper-delivered test before you know the results of a prior paper-delivered test, and subsequently receive a passing score for that test, you will automatically receive a full refund. You do not need to submit a request for a refund.

**Test Retake Policy**

**COMPUTER-DELIVERED TESTS**

Tests that are offered continuously may be taken once every 21 days, not including your initial test date. (Note: if you take a combined test, such as the combined PPST test, you cannot take an individual PPST test until after the 21-day period.) Tests that are offered during testing windows may be taken once per testing window. (Note: if you take a combined test, such as the Elementary Education: Multiple Subjects Test, the Middle School Multiple Subjects Test or the PA Grades 4–8 Core Assessment, you cannot take a subtest until the next testing window.) This applies even if you canceled your scores on a test taken previously. If you violate this restriction, the scores from your retest will not be reported and your test fees will not be refunded.

**PAPER-DELIVERED TESTS**

ETS does not limit the number of times you can retake a test; some states, associations, and institutions, however, may limit the number of times you can retest. Contact your state or licensing agency to confirm their retest policy.

**Note:** The test retake policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation.
Identification (ID) Requirements

All test takers are responsible for bringing valid and acceptable identification each time they report to a test center. It is your responsibility to ensure that your ID documents are up-to-date and available on the day of the test.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific section for acceptable primary and supplemental ID documents and allowed exceptions.

- You are responsible for ensuring that the name you used to register exactly matches the name on the ID document(s) you will present at the test center.
- If the test administrator questions the ID you present, you may be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test score may be withheld.
- All test takers are encouraged to bring at least two forms of acceptable ID each time they report to a test center. Prior admission to a test center based on a given ID document does not assure that that document will be considered acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.
- Admission to the test center does not assure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel your scores in the event that the ID requirements set forth herein are not met.
- You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.
- Your test fees will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

ID DOCUMENT REQUIREMENTS

With few exceptions, ID documents must meet all of the following requirements. Each ID document must:

SUPPLEMENTAL ID DOCUMENTS

- You may be required to provide a supplemental ID if the test administrator questions your primary ID document and/or if your primary ID document is otherwise acceptable but does not bear your full name, photograph or signature.

**Test Center Procedures and Regulations**

**GENERAL GUIDELINES ON TEST DAY**

**COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS**
- Dress so that you can adapt to any room temperature.
- Test subject-related information written on one’s clothing or on one’s body is prohibited.
- Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test (or during breaks). Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress or during breaks.
- ID verification at the test center may include thumbprinting, photographing, videotaping, or some other form of electronic biometric ID confirmation. If you refuse to participate, you will not be permitted to test, and you will forfeit your test fees. This is in addition to the requirement that you must present acceptable and valid identification.
ON TEST DAY (continued)

- ETS reserves the right to ensure the security of test content by using electronic detection scanning devices (e.g., hand-held metal detectors/wands). Failure to comply may result in dismissal from the test and forfeiture of your test fees.
- You may not have access to your personal items during the test. Failure to comply with these regulations may result in you being dismissed from testing, and/or your scores may be canceled. Please note: Possession of or use of telephones, cell phones, smart phones (e.g., iPhone or BlackBerry devices), PDAs, or other electronic, listening, recording, scanning, or photographic devices is prohibited in the test center and will result in your dismissal from the test, forfeiture of your test fees, and cancellation of your scores by ETS even if dismissal is not enforced on the day of the test. If you are seen using or accessing any of these electronic devices and/or transmitting data including but not limited to text messaging, e-mail, or photographs, your device may be confiscated or inspected.
- Test centers assume no responsibility for personal items or devices that you choose to bring into the test center.
- The test administrator will assign you a seat.
- On occasion, weather conditions or other circumstances beyond the test administrator’s or ETS’s control may require a delayed start or the rescheduling of your test.

Calculators

- Graphing, scientific, and four-function calculators are allowed or required for some Praxis tests; for detailed information, see “Calculator Use” at www.ets.org/praxis. Unless it is specifically stated that a calculator is permitted or required for a particular test, calculators may not be used.

ETs reserves the right to take appropriate action and/or notify appropriate authorities including, but not limited to, law enforcement authorities, if a test taker responds in a threatening or disturbing way to essay or speaking questions or communicates with ETS either verbally or in writing in a threatening or disturbing manner.

COMPUTER-DELIVERED TESTS

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out, and includes breaks.

- Bring your admission ticket and ID with you to the testing center.
- Arrive at the testing center at least 30 minutes prior to your scheduled appointment time.
- You will be required to write in cursive (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you may not be allowed to test and your fees will NOT be refunded.
- You will be required to sign the test center log before and after the test session and any time you leave or enter the testing room. Other than ID, personal items (such as handbags and study materials) are not allowed in the testing room. Before the test, you will be assigned a locker or receive instructions from test center personnel regarding where you must store personal items. Storage space is limited, so plan accordingly.
- The administrator will provide you with scratch paper that may be replaced after you have used all pages of the scratch paper, initially given to you. You may not take your own scratch paper to the test, nor may you remove any portion of the scratch paper from the testing room at any time. The scratch paper is provided to assist test takers in working out problems and for appropriate note-taking during the timed sections of the test. You may not write on anything other than the scratch paper provided (e.g., computer or workstation ID document). Scratch paper should NOT be used during the untimed sections or during breaks. If you are observed using any documents or unauthorized papers other than the designated scratch paper distributed by the test site, they will be confiscated by the test center staff.
- You may be asked to remove your watch and to store it during the test administration.
- If you need to leave your seat at any time other than a scheduled break, raise your hand; timing of the section will not stop.
- If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- Testing premises are subject to videotaping.
- The maximum time allotted for the tutorial and/or other untimed sections prior to the test is 30 minutes. The purpose of the tutorial and/or other untimed sections prior to the test is to become familiar with the computer functions and other important information that will make your computer-delivered test experience as convenient as possible. The time you spend on the tutorial and/or other untimed sections should not be for any other purpose. You may not use scratch paper during this time. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator’s directions.

PAPER-DELIVERED TESTS

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center, ends when you leave the test center, and includes breaks.

- Administrators will not honor requests for schedule changes.
- Take your admission ticket and photo ID to the test center.
- Take three or four sharpened soft-lead (No. 2 or HB) pencils, a good eraser, and a blue or black pen. Mechanical pencils cannot be used. Pencils, erasers, and pens will not be supplied at the center.
- No test taker will be admitted after test materials have been distributed.
- No paper of any kind is permitted in the testing room.
- You must have the administrator’s permission to leave the room during the test. Any time lost cannot be made up. If you finish the test early, you must remain in the testing room until the testing session has ended.
- You may wish to pace yourself with your own watch, but the administrator is the official timekeeper. You will not be permitted to continue the test or any part of it beyond the established time limit. Digital watches, watch alarms, and clocks on cell phones are not permitted.
- Answers to multiple-choice questions recorded in the test book will not be scored. You may use the test book to work out your answers, but you must mark all your answers on the separate answer sheet before time is called. Answers to constructed-response questions or essays should be written on the indicated pages or answer sheet.
- At the conclusion of the test you will be required to return your test book and answer sheet to the test administrator. These materials are the property of ETS.

Art: Content and Analysis Test

- If you are taking the Art: Content and Analysis Test, you must bring four color photographs or still reproductions of your own artwork.
- Each image must be of a different work.
- Each of the images must be clear and show the complete artwork.
- At least two of the artworks represented must be in a medium or media that is not used in any of the other artworks.

For more detailed information about these guidelines, see the Art: Content and Analysis Study Companion at www.ets.org/praxis.)
Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence.

- leaving the test center building during the test session or during breaks
- leaving the testing room without permission. You are not permitted to go outside the test center building unless it is to use the restroom during the test administration, including breaks.
- leaving the testing room before the test session is dismissed (except the unscheduled break during the testing session)
- taking excessive or extended unscheduled breaks during the test session. Test administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
- referring to, looking through, or working on any test, or test section, when not authorized to do so, or working after time has been called
- failing to follow any of the test administration regulations contained in this Bulletin, given by the test administrator, or specified in any test materials

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator’s directions. If your scores are canceled, they will not be reported, and your test fees will not be refunded.

REGISTERING A COMPLAINT

If you think conditions at the test center were such that you were unable to perform satisfactorily, you may cancel your score(s). You may also request a retest. However, ETS will investigate before responding to your request. Complaints need to be received in writing no later than seven (7) business days after the administration. Complaints received after this period will not be accepted. Please see page 7 for additional information. Also, please note that retests cannot be offered once scores for a specific test date have been reported.

Reporting Your Test Scores

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

If you test in Alabama, Alaska, Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Georgia, Hawaii, Idaho, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, Virginia, Washington, West Virginia, or Wyoming, a copy of your scores will automatically be sent to that state’s teacher credentialing agency.

If you completed or are planning to complete an approved teacher education program in Guam, Maine, New Mexico, Texas, US Virgin Islands, or Wisconsin, you must designate your educational institution as a score recipient. If you are applying for licensure in one of these states, but completed your teacher preparation in another state, you must submit an ETS score report to the Guam Commission for Education Certification, Maine Department of Education, New Mexico State Department of Education, State Board for Education Certification, Virgin Islands Department of Education, or the Wisconsin Department of Public Instruction along with your licensure application.

Note to Speech-Language Pathology and Audiology test takers: Please refer to the Speech-Language Pathology and Audiology Attending Institution/Recipient Code List to designate an attending institution and a score recipient (see Praxis website).
Scores & Score Reports (continued)

Your score report will be available to you online on the score report release date, approximately four weeks after the test date. (See the last page of this Bulletin for score report release dates for each test date.) Online scores are downloadable and available for one year from the score reporting date. You can also request your scores to be sent to up to three score recipients.* In order for your attending institution (college or university where you received training that most closely relates to the test(s) you are taking) to receive a copy of your score report, you must list the institution as a score recipient. Individual score reports are not sent to attending institutions unless they are designated as a score recipient. For a fee you can request more than three (3) score recipients. See "Additional Score Reports (ASR's)" on this page.

Your scores for a specific test will be sent to a designated recipient only if that institution or agency is eligible to receive those test scores. For exceptions, please see "Confidentiality of Information" on page 18. Score reports will list your current score and highest score earned on each test taken over the last ten (10) years.

You will receive passing score information on your score report for those score recipients you designated when you registered. If you list an institution as a score recipient, the passing score information you receive will be based on the scores set by the teacher licensing agency of the state in which the institution is located. Passing score information will be provided for the highest score for each test taken and listed on your score report. The passing score information is based on the most recent information, The Praxis Series program has for each agency, association, or organization. Score recipients you choose on the registration form and the Additional Score Report Request form will receive passing score information that is pertinent only to them. They will not receive passing score information for other agencies, associations, or organizations.

Official score reports will not be released if you have an outstanding balance, which may include an outstanding balance for previous services from The Praxis Series program.

Scores from the 2013–14 testing year will be available for reporting on additional score reports for ten (10) years. Test taker background data will be retained for the same period time. Detailed information from current score reports is available for only three (3) months after the scores are initially reported.

For more information about your scores, you may download Understanding Your Praxis Scores from the Praxis website at www.ets.org/praxis.

Computer-Delivered Tests

Some, but not all, computer-delivered Praxis tests will offer you an opportunity to view unofficial scores at the end of your testing session. If an unofficial score is not provided for your test, it means that further analysis must be conducted before scoring can be completed. This does not indicate any problem with the administration of your test and will not result in any delay of the reporting of your official score. Once you have viewed your scores—whether you view the unofficial scores at the testing center, or you view your official score report—you will not have the option to cancel them. You may cancel your scores at the test center or by submitting the Request for Score Cancellation Form at http://www.ets.org/praxis/scores/services/cancel_scores/ to ETS within one week of your test date. Once your scores have been cancelled, they will not be reported, and they cannot be reinstated on your record. You will not receive a refund if you choose to cancel your scores.

You will review unofficial scores for multiple-choice tests at the test center; however, because of the scoring process, you will not view scores for tests that include constructed-response questions at that time. Test centers cannot provide printed copies of score reports. Your official scores will be supplied to your score recipients and available for you to view, print, and download by accessing the online user account you created. Scores for tests that are administered continuously will be available approximately 2–3 weeks after your test date. Scores for tests that are administered during a specific testing window will be available approximately 2–3 weeks after the testing window closes (regardless of the specific day on which you tested within that window). Scores will be available online for one year from the date they are reported. To obtain scores by phone, see the section under Scoring Services.

Paper-Delivered Tests

Score reports will be available online approximately four weeks after the test date for constructed response tests and approximately three weeks after the test date for multiple choice tests. Online scores are downloadable and available for one year from the score reporting date. Your scores may be delayed if you do not:

- Fill out your answer sheet properly and grid the correct ovals
- Provide the same identifying information on your registration form and answer sheet
- Write your constructed response or essay on the assigned page

Questions That Do Not Count Toward Your Score

The test(s) you take may include one or more questions that do not count toward your score. These “pretest questions” are new questions that are being tried out in actual test administrations.

Test takers are not told which questions are in this category because ETS needs to determine how such questions function under actual testing conditions. Nonscorable questions may appear in some, but not all, Praxis tests.

Scoring Services

Scores by Phone (Computer-Delivered and Paper-Delivered Tests)

Fee: $30 per request

Some test takers prefer to get their scores by phone. The Scores-by-Phone service usually provides scores for paper-delivered tests approximately 4 days earlier than they are available by web. There is a $30 fee per request. If you want to know your scores sooner, call 1-877-ETS-TEACH (1-877-387-8322) (see page 7 for other contact information for this service) any time on or after the dates below. Scores are available through this service for tests taken over the past ten (10) years.

To use this service, you need to have your Social Security or candidate ID number, test date, and date of birth information.

Additional Score Reports (ASR's)

(Computer-Delivered and Paper-Delivered Tests)

Fee: $40 each

At your request, ETS will send your scores and reportable background information to additional institutions or agencies. When you register to test, you may select up to three score recipients for no

* ETS reserves the right to refrain from sending score reports

(1) to entities that have been found to violate the Guidelines for Proper Use of The Praxis Series and Related Assessments, and

(2) to entities against which complaints of violation have been made pending completion of ETS's inquiry into the claimed violation(s).

charge. You may add or change these score recipients up until the test date. If you wish to send your scores to additional recipients, you may order an additional score report (ASR). You may complete your request online, by mail, phone, or fax. To make an ASR request online, log in or set up an account on the Praxis online registration site. On the “My Praxis Home” page, click on “Order Additional Score Reports” under the “My Test Registrations and Orders” section. Follow the online instructions to complete your order. To request an ASR by mail or fax, download and complete the Additional Score Report form located on the website at www.ets.org/praxis. Telegram requests will not be processed. ETS will process your score report (indicating only the highest score earned on each test) within ten (10) working days after your request and payment are received.

When you ask ETS to send additional score reports to institutions or agencies, you automatically authorize ETS to report your highest scores for all tests taken over the past ten (10) years. These could include test results from Praxis Core Academic Skills for Educators tests, Praxis I Pre-Professional Skills Tests (PPST), and Praxis II Subject Assessments. (Scores for a specific test will be sent to a recipient only if that recipient is eligible to receive those scores.)

If scores have not been reported from a current administration and you want the institutions or agencies listed on your Additional Score Report Request form combined with those listed on your registration form, check the appropriate box on the form. Current and highest scores will then be reported to all recipients requested. The ASR will include your highest score for each test taken, but will not include the raw score information that is available on the original score report. You will automatically receive a copy of your score report confirming that your score report was sent.

**SCORE VERIFICATION/REVIEW SERVICE (COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS)**

**Fee:** see “Fees for Tests and Related Services” on page 8

Multiple-choice answer sheets are machine scored, which gives virtually 100 percent accuracy. However, occasionally test takers feel their scores have been reported incorrectly. You may request verification of a multiple-choice test score if you feel the score is in error. (NOTE: Multiple-choice questions on computer-delivered tests are not available for score verification because those answers are scored once at the test center, then transmitted to ETS, where they are verified before being reported.)

All constructed-response and essay scorers have been carefully trained and follow strict scoring procedures. Each test that contains one or more constructed-responses or essays is scored by more than one scorer. However, if you feel that your score for a constructed-response or essay test does not accurately reflect your performance, you may request a score review of your test.

To have a score verification for a multiple-choice test or a score review of a test containing a constructed-response or essay, download and complete the Score Verification Request form from the Praxis website at www.ets.org/praxis/scores/services and send it to ETS with the proper fee. **Your request must be received within four (4) months of the test date.** If there is a change in your reported score, the revised score (which may be higher or lower than your originally reported score) will be reported to you and to the recipients of the original score, and your verification fee will be refunded. Your test books and answer sheets are not available for disclosure. Please note that your score for a specific test will be verified/reviewed only once.

**CANCELLATION OF SCORES**

**COMPUTER-DELIVERED TESTS**

**Scores & Score Reports**

Before viewing your scores, the computer gives you the option of canceling your scores when you finish each test. **NOTE:** If you are taking the Combined PPST tests, the Combined Core tests, the Elementary Education: Multiple Subjects, or Middle School: Multiple Subjects tests and choose to cancel your scores, scores from all sections of that test will be canceled. Once you have viewed your scores, they cannot be canceled. If you choose to cancel your scores, you cannot view them on the computer screen and they cannot be reinstated. You will not receive a refund if you cancel your scores.

**PAPER-DELIVERED TESTS**

You may cancel your scores from a particular test session if your written request is received at ETS within one (1) week after the test date. (ETS cannot honor requests to have scores from previous test administrations deleted from your permanent records.) To cancel your scores, complete, sign, and submit the Request for Score Cancellation form from the Praxis website at www.ets.org/praxis. You will not receive a refund of any fee when you cancel your scores. Once scores have been canceled, they will not be reported, nor will they be reinstated on your record.

**CANCELLATION OF SCORES BY ETS**

**COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS**

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS’s standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS’s judgment, any of the following conditions arise: a testing irregularity occurs; there is an apparent discrepancy in a test taker’s identification; the test taker engages in misconduct or plagiarism; or the score is invalid for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker and in certain group cases.

Test takers whose scores are canceled will forfeit their test fees, and must pay to take the tests again at a future administration. No record of score cancellations, or the reason for cancellation, will appear on their future score reports sent to colleges and universities.

**TESTING IRRGULARITIES**

“Testing Irregularities” refers to problems with the administration of a test. Testing irregularities may result from actions of test takers, test center personnel, ETS, or from man-made causes. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials (e.g., improper or damaged test forms), and defective equipment; improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When in ETS’s judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

**Identification Discrepancies**

When, in ETS’s judgment or the judgment of test center administrators, there is a discrepancy in a test taker’s identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score if the documents or photos from the test day cannot be validated or if ETS has evidence that you did not appear for the test. If test scores are canceled by ETS, the test fees will NOT be refunded.
Misconduct

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test, or cancel the test score. Test takers whose scores are canceled will forfeit their test fees. Misconduct includes, but is not limited to, noncompliance with the Test Center Procedures and Regulations, on pages 13–15 of this Bulletin.

Invalid Scores

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Substantial evidence means evidence that is sufficient to persuade a reasonable person, the substantial evidence is lower (i.e., requires less proof) than reasonable doubt, clear and convincing, and preponderance of the evidence standards. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns, and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS’s concerns, considers any such information submitted, and offers the test taker a choice of options. The options may include voluntary score cancellation, a specially arranged retest without charge, or arbitration in accordance with ETS’s standard Arbitration Agreement. In addition, the test taker is sent a copy of a booklet, Why and How Educational Testing Service Questions Test Scores, which explains this process in greater detail. (This booklet is available to any test taker at any time on request from the ETS Office of Testing Integrity. Call 1-800-353-8570 or Email TSReturns@ets.org.)

When essay scores are canceled because an essay is unusually similar to other test takers’ essays, or because the essay contains unattributed material, only the retest score is reported for the essay; the score for the questioned essay is not released.

Your essay responses on the writing or constructed-response items will be reviewed by experienced ETS essay readers during the scoring process. ETS reserves the right to cancel test scores of any test taker when an essay response includes, any of the following:

- text that is unusually similar to that found in one or more other Praxis essay responses;
- quoting or paraphrasing, without attribution, language or ideas that appear in published or unpublished sources;
- unacknowledged use of work that has been produced through collaboration with others without citation of the contribution of others;
- essays submitted as work of the test taker that appear to have, been borrowed in whole or in part from elsewhere or prepared by another person.

When one or more of the above circumstances occur, ETS may conclude, that the essay response in ETS’s professional judgment, does not reflect the independent writing skills that this test seeks to measure. When ETS reaches that conclusion, it cancels the essay score and cannot report scores for this test, of which the essay score is an indispensable part.

Confidentiality of Information

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

ETS recognizes your right to control the information about you that is stored by ETS. Its policies are designed to safeguard your information from unauthorized disclosure.

Your score report is intended only for you and for your designated score recipients. However, background information as noted on the registration form is reported to some states and institutions. To protect your right to control the distribution of your scores, reports will be released only at your specific written request and only to ETS-approved score recipients. Every recipient must be specified by you in writing on one of the designated forms or in correspondence. ETS will not release your scores at the request of institutions or agencies except:

- for use in research studies approved by The Praxis Series program and that preserve your anonymity
- when information is required under compulsion of legal processes
- when a state’s central regents office or board of governors requests copies of scores that have been reported to its member institutions
- when test takers at a regular or special administration have been informed by the administrator beforehand that their scores will automatically be released to the state
- when test takers have been notified in the Bulletin that a particular state requiring scores has arranged for all individuals tested in that state to have their scores sent directly from ETS
- when test takers have been notified in the Bulletin that a particular state requiring scores has arranged for all individuals tested in that state to have their scores sent directly from ETS

 Sections 205 through 208 of Title II of the Higher Education Act (HEA) as amended in 2008 (PL 110-315) call for accountability for programs that prepare teachers. Section 205 of Title II requires reports from each institution of higher education (IHE) that conducts a traditional teacher preparation program or an alternative route to state certification or licensure program and that enrolls students receiving federal assistance under HEA (e.g., Title IV). The report will contain aggregate data only and will not include any information that identifies test takers.

- when a branch institution requests scores previously sent to its main office or vice versa

Official score reports for properly designated recipients are sent directly from ETS to ensure the authenticity of the reports. Note that whenever ETS has confirmed that you have submitted a Praxis test score directly to an educational institution, agency, or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

Uses of Scores

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

ETS does not set passing scores for the tests. The Praxis Series tests user states, institutions, and associations set their own passing scores. Following the direction provided in the Guidelines for Proper Use of The Praxis Series™ and Related Assessments, ETS offers its score recipients professional counsel regarding the purpose and appropriate application of the test scores. ETS’s agreement with state agencies and associations that use The Praxis Series tests for decisions about the certification of educators requires that test scores be used only in conjunction with other criteria.

All states and associations that use The Praxis Series tests are surveyed to obtain information about the qualifying scores that are required on these tests.

However, the ETS file is not official and may not reflect changes in test requirements that are implemented between surveys. If you have any questions about state or association requirements or passing scores, contact that state or association directly.

Test Takers’ Performance Data

Test takers’ performance data may be used in analysis samples, score interpretation data, group statistics, and research studies. Test takers’ constructed responses may be used in ETS materials to train scorers, to help score recipients interpret scores, or to help test takers prepare for the test. In each instance, all identifying information will be removed.
